It is with great excitement that we start our third year of knitting and collecting scarves for children. I had no idea when I started this journey that it would turn into one of the best experiences of my life. People that I have met and who have consistently knitted for me have become devoted supporters of Wrapped In Love the Scarf Event.

I'd like to start this year by sharing a story with you about a special little girl. Last year when I spoke with this little girl, all she wanted was a pink scarf. So we looked through a bunch of bags and found her the perfect pink scarf. I draped it around her neck and told her that she looked absolutely beautiful. And to my surprise, she looked up at me with a serious face and said "no one has ever said that I was beautiful." She then hugged me and said "thank you". I told her again to never ever forget how beautiful she is. Holding back my tears, I continued to hand out the scarves to the other children. Till the day I die, I will never forget that little girl. Not only because of what she said to me, but for the beautiful smile she had on her face as she walked out the door and waved good bye. Meeting children like her motivates me to continue this journey of love and kindness that all children deserve.

To make it easy for everyone, all scarves should be 5-6 inches wide and 45 inches long. Children tie them all different ways these days. Also remember our drop off spots are Freetown Senior Center, Freetown, MA, and Sun Kissed Tanning, New Bedford, Ma. If anyone needs scarves picked up, please call Celeste at 774-644-3176. You can find out all about us through Facebook at "Wrapped in Love the Scarf Event."
